Trade-marks Journal

Vol. 65 No. 3315

General Information

The *Trade-marks Journal* is published every week in compliance with Rule 15 of the *Trade-marks Regulations*. The Registrar of Trade-marks cannot guarantee the accuracy of this publication, nor assume any responsibility for errors or omissions or the consequence of these. All mail relating to trademarks should be addressed to the Registrar of Trade-marks, 50 Victoria Street, Gatineau, Quebec, Canada, K1A 0C9.

Electronic *Trade-marks Journal*

The *Trade-marks Journal* is available in electronic form on the CIPO web site (http://cipo.gc.ca). The *Journal* is available in PDF format and can be downloaded free of charge, viewed and printed with Adobe Acrobat Reader. The electronic form of the *Trade-marks Journal* is the official version.

The *Journal* is also available in a printable HTML format as an alternate official version, and contains a search function to narrow and customize the *Journal* content to user defined areas of interest.

Official Languages

The *Journal* is available in English and in French. The application details are displayed based on the language of the application. If the language of the application is English, the goods, services, or other text and description appearing in the English version of the Journal are in the language filed by the applicant. If the language of the application is French, the goods, services, or other text and description appearing in the English version of the Journal have been translated. Any registration resulting from the application will be restricted to these goods or services described therein.

Filing Dates

The filing date of each trademark application advertised in the *Trade-marks Journal*, including those to extend the statement of goods or services of an existing registration, is shown next to the application number in the sequence of Year, Month and Day.

Nice Classification

The *Journal* includes reference to the Nice classification when the goods or services of an application have been grouped and classed by the applicant in accordance with the current version and edition of the Nice Classification.

Opposition

Any person who has a valid ground of opposition (see section 38 of the *Trade-marks Act* for the grounds of opposition) to any application for registration of a trademark or to any application for registration of a trademark extending the statement of goods or services advertised in this *Trade-marks Journal* may file a statement of opposition with the Registrar of Trade-marks within two months from the date of issue of this publication. The prescribed fee must accompany the statement of opposition.

Trademark Description

The trademark consists of the colour silver applied to the bottle's entire visible surface, as shown in the drawing. The trademark also consists of two two-dimensional labels applied to the bottle as shown in the drawing, on which appear the terms VEUVE CLICQUOT and RICH, of the VCP logo appearing on the main bottle label above the terms VEUVE CLICQUOT as well as on the silver coating of the bottle and of the VCP logo (frame only) appearing on the silver coating of the bottle.

Colour Claim

Colour is claimed as a feature of the trademark, as it appears on the two-dimensional labels. On the bottle neck label: silver for the label's middle circle, black for the terms VEUVE CLICQUOT and the frames on the label, and orange yellow Pantone 137C * for the label's background (except for the silver circle in the middle of the label). For the main label of the bottle: silver for the term RICH, black for the terms VEUVE CLICQUOT and the VCP logo appearing above the terms VEUVE CLICQUOT, and orange yellow Pantone 137C* for the label's background. The dotted line bottle does not form part of the trademark. *Pantone is a registered trademark.
